

Plustek MobileOffice AD460

Document Management and Scanning Made EASY!

The Plustek **MobileOffice AD460** is an easy to use solution to digitize and manage your important paper documents. Three single touch buttons to automate frequent scanning jobs, the ability to paper documents and rigid cards, and the AD460's small footprint make it an ideal solution for small offices, healthcare applications, or home use.

Scan Documents, Cards and More

The AD460 turns all of your documents including bank statements, legal documents, insurance papers, medical records, embossed plastic cards, business cards, and any size document into a digital format.

Complete Document Management Solution

The bundled software suite includes document management, business card reading, and Optical Character Recognition (OCR) software.

Place your documents in the Automatic Document Feeder and with the touch of button, documents can be saved in many popular formats including Searchable PDF, Microsoft Office, JPG and TIF. Documents are automatically sent to many different destinations including: any folder on your network, email, or even a printer.

Ideal for Vertical Applications

The AD460's small footprint and its ability to scan rigid cards such as insurance cards, credit cards and membership cards make the AD460 ideal for applications like: patient registration, pharmacy prescription scanning, accounting, remote deposit and more. The included TWAIN drivers ensure compatibility with your application.

Plustek MobileOffice AD460

Document Management and Scanning Made EASY!

Product Features

- Industry standard TWAIN drivers
- Bundled with OCR and imaging applications
- 20ppm / 40ipm Scan Speed
- Scans to searchable PDF
- Scan rigid embossed cards such as licenses, insurance cards, membership cards
- Easily transportable
- 3 Single-touch customizable buttons automates frequent scanning jobs
- Advanced image enhancement to automatically straighten and rotate pages, adjust brightness, and crop images to minimize file size and increase OCR accuracy.
- Software productivity suite enables PDF, Microsoft Office, JPG TIF creation.
- Includes ABBYY FineReader Sprint.
- Energy Star Compliant
- 1500 page per day duty cycle

System Requirements

IBM Compatible PC, with Pentium IV 2.0 GHz processor or higher, CD-ROM/ DVD-ROM drive, One available USB 2.0 port, 512 MB RAM (1GB or higher recommended), 800MB Free HDD space (1GB or larger recommended)

Software Bundled

This product contains ABBYY FineReader OCR

Plustek DICapture

Plustek DocAction
